What internet forums do you frequent? _____

The more we know about you and your car, the more interesting the UTCC story will be when it appears in the magazine. Please use the back of this form or an email to tell us more about you and your car. Here are some questions to get your brain going: Why did you choose to race this car? Has it been an easy build or a nightmare? Are you happy with the car as it sits, or do you have bigger plans for the future? What's the single most significant upgrade you've made so far? What makes you so incredibly fast?
